

## Leading UK and Ireland Retailer Selects CorePay for Multi Currency Payroll

# PRIMARK®

Primark, one of the UK and Ireland's leading retailers have selected the **CorePay** solution to cater for their extensive Payroll Management Requirements for both their Irish and UK operations.

*Primark is a major retail group employing over 10,000 people. Primark operates over 110 stores in the UK and Ireland, where it trades under the Penneys name. Primark Stores Ltd is a subsidiary of Associated British Foods plc. (ABF), which is a public quoted Company mainly involved in food production.*

Primark management selected **CorePay** based on the solutions second to none track record in catering for the unique requirements surrounding UK and Irish payroll. CorePay complies with both UK and Irish payroll legislation and is updated in line with changes as they occur **CorePay** is a "State of the Art" interactive Payroll solution offering comprehensive pay facilities that help you control your payroll inputs, increase user productivity and capture critical Payroll information. Core's integrated Internet solutions allow employee online access to critical information such as pay history, holidays, hours worked, tax details and payslips. In addition **CorePay** provides extensive user reporting through the **CorePay Business Intelligence** module.

**Example of On-Line Payslip**

This contract further strengthens **Core's** position as the premium provider of HR Solutions to the leading UK and Irish organisations.
